

Person Specification

This form lists the essential and desirable requirements needed in order to do the job.

Applicants will be shortlisted **solely** on the extent to which they meet these requirements.

Job title: LSE Fellow in Environment (Band 6)

Department/Division: Geography & Environment

Accountable to: Prof Steve Gibbons, Prof
Simon Dietz

Criteria	E/D
Completed or close to completing a PhD in a relevant subject, by the post start date.	E
A very good knowledge of environmental social science: in particular, environmental policy, environmental regulation, environmental governance (public and private), corporate social/environmental responsibility, or environmental geography.	E
A developing research record in environmental social science: in particular, environmental policy, environmental regulation, environmental governance (public and private), corporate social/environmental responsibility, or environmental geography.	E
Excellent communication and presentation skills.	E
The ability to work in close partnership with fellow teachers, including on a one-on-one basis and in small groups, and to provide effective support, as necessary.	E
Foster an engaging and supportive learning environment.	E
A commitment to equality and diversity.	E
Relevant teaching and assessment experiences at undergraduate and postgraduate level. (Successful candidates, depending on their previous teaching experience, may be required to undertake the LSE's PGCert in Higher Education (Associate Level)).	E
Ability to relate own specialist work to general issues facing the discipline in the contemporary world.	E
Excellent administrative skills.	E

Ability and willingness to work as part of a team in the development strategy of the Department.	E
Ability to communicate effectively with students, academics and academic support staff.	E
Interest and/or experience in innovative and web-based teaching methods.	D
Experience of supervising Master's students.	D
Experience of managing and contributing to course virtual learning environments (e.g. Moodle).	D

E – Essential: Requirements without which the job could not be done.

D – Desirable: Requirements that would enable the candidate to perform the job well.
