

Person Specification

This form lists the essential and desirable requirements needed in order to do the job.

Applicants will be shortlisted **solely** on the extent to which they meet these requirements.

Job title: LSE Fellow in Philosophy of Science and Physics (Band 6)

Department/Division: Philosophy, Logic and Scientific Method
Accountable to: Head of Department

Competency	E/D
Completed or near-completed PhD in Philosophy or another discipline relevant to teaching Philosophy of Physics and Philosophy of Science	E
Ability to provide high quality teaching in Philosophy of Physics (specifically on one or both of the courses Physics and Uncertainty and Einstein for Everyone) and Philosophy of Science, driven by engagement with the latest research, in a manner that is accessible to both undergraduate and master's students	E
A developing, high quality research record in an area of philosophy relevant to the teaching areas listed above	E
Excellent communication and presentation skills	E
Relevant teaching experience and ability to do high quality teaching, as evidenced by references or teaching evaluations	E
The ability to work in close partnership with fellow teachers, including on a one-on-one basis and in small groups	E
An ability to contribute more widely to teaching in LSE Philosophy, beyond Philosophy of Physics and Philosophy of Science	D
Experience of managing and contributing to virtual learning environments (e.g., Moodle)	D
Experience in carrying out course administration	D

E – Essential: requirements without which the job could not be done.

D – Desirable: requirements that would enable the candidate to perform the job well.
