### Considerations when submitting your application

- You will be required to confirm that all the information you have provided is accurate

- The School may wish to check any of the details you have provided
- If successful, you will be required to provide evidence that you hold all essential qualifications as stated in the person specification before the appointment starts
- Providing incorrect information or deliberately concealing any relevant facts may result in disqualification from the selection process or, where the discovery is made after an appointment, in summary dismissal

In exceptional circumstances, we may accept applications via an alternative method. If you are unable to use the online system to apply for a post, for example if you have a disability, please contact the [HR Division](#) to discuss alternative methods of applying.

### **Personal details**

Your personal details will be used to monitor the effectiveness of our recruitment processes. We ask for this information to ensure recruitment advertising is appropriately placed to encourage applications from under-represented groups and also to help the organisation understand the needs of its applicants.

Your personal details will be held for equal opportunities monitoring purposes. The collection of this data is important to LSE because it enables us to monitor the impact of our policies on all staff. Any information you choose to share with us will be treated with complete confidentiality and will not be made available to the selection committee for any part of the recruitment process.

For successful candidates, the information provided will be stored on the HR database. Some information will be shared with other LSE databases for general administration purposes. Information supplied in statistical returns to government, funding or other organisations will be anonymised.

### **Closing date**

It is essential that you have submitted your application on the system by 16:00 UK time on the closing date. Regrettably, we are unable to accept late applications.

### **Acknowledgement of application**

When you have submitted your application online, you will receive an automated reply confirming receipt of your application email. You will then be able to log onto the system, using your username and password to check the progress of your application.

Due to the volume of applications received, we regret that we are unable to provide feedback.

### **Revisions or amendments to applications**

Once you have submitted your application via the Online Recruitment System we are unable to accept any changes or amendments. Therefore please ensure you have checked your application thoroughly.

### **Withdrawing of applications**

Any applicants withdrawing from the process need to officially withdraw their application on the HR system and email the [PhD Academy](#).
